# United Women in Faith

Our Emblem.....Our Logo United Women in Faith

Our new logo features our new name next to a Christian cross in muted colors of yellow, blue, orange, and green. The logo is symbolic of our forward-looking faith, the diversity of our organization and the world God so loves.

It represents the past, present, and future of our organization.

The symbol refers to our Christian Roots.

The multicolored pieces of the cross coming together represent the diversity we aim for and inward and outward reflection we engage in as women of faith.

The typography is solid, modern, and bold, showcasing our power to support the causes in which we invest.

The colors represent:

Blue for faith

Green for Sisterhood

Orange for Action

Yellow for the light of Christ.

## PRESIDENT'S MESSAGE

When I first saw that the theme of the 2024 Program Resources book was *Food, Faith, and Fellowship*, I was a little disappointed. We usually take the title of our yearbook from the theme of the Program Resources Book which tends to be action-oriented: *Healing and Joy on our Journey to God* (2022), *Mosaic of Faith: We Are All Part of God's Story* (2023). We are women of action. We turn faith, hope and love into action on behalf of women, children and youth around the world. Yes, when we gather, even for committee meetings, there's usually food and fellowship. But our important work involves action! Or does it always?

Gathering together to eat sustains our bodies, but the fellowship also feeds our mind and soul. It creates connection with one another in community. The Bible is full of stories of shared meals and hospitality. One of our best-known stories is of Jesus feeding the thousands of people who gathered together to hear him. When the food some people had brought was gathered together, blessed and shared, there was enough for all. There was even food left over. Our God is a God of abundance.

After the death of Jesus, two disciples on the road to Emmaus first recognize Jesus when he takes the bread and breaks it. When Peter and some other disciples decide to go fishing without much luck, a man standing on the shore tells them to cast their net on the right side of the boat. After their net is bursting with fish, Peter recognizes Jesus. Jesus even has a breakfast of fried fish and bread waiting for them. Maybe the most important story of Jesus and food is the story of the Last Supper before Jesus's death. This is the story we celebrate in communion, the story of God's love for us.

May you be blessed this year with food, faith, and fellowship that nurture your body, mind and soul, as we do the important work of United Women in Faith.

Gloria Carter,  
Wisconsin Conference President

## SPIRITUAL GROWTH GOALS for 2024

Theme: ***We are ALL Welcomed to Come to God's Table***

***"Taste and see that the Lord is good." Psalm 34:8***

For those of us who have "tasted" the goodness of the Lord, we may more easily relate to our theme about feeling welcomed at God's table! There is that special feeling of being drawn in...into something so appealing that we would want to come back again! Can you see where I am heading here? How can we United Women in Faith welcome other women – women of all ages to the Lord's table in this new year ahead? How can we help others "taste" what we know to be so very good? I have always believed in the idea of hospitality, and will always remember my own mother inviting my friends over to the house – and yes, even to church if I wanted them to spend the night! I do not think we are hosting too many sleepovers anymore, but can we find other ways to host others to come to our home, our church, or anywhere? I think that our 2024 Program Guide has something important to ponder, as the title helps us to imagine: ***"Food, Faith, and Fellowship."*** These program ideas may just lead us to where we could be focusing and investing our energies in this new year before us! ***"Happy New Year!"*** Are you feeling energized, or are you already feeling fatigued and stressed with the thoughts of more things to do, once again! Let me share something that I have learned many years ago - about keeping our Lord in the mix of things as we plan:

***"The Lord is my pace-setter, I shall not rush. He makes me stop for quiet intervals. He provides me with images of stillness which restores my serenity. He leads me in ways of efficiency through calmness of mind, and his guidance is peace. Even though I have a great many things to accomplish each day, I will not fret...For His presence is here. His timelessness, His all importance will keep me in balance. He prepares refreshment and renewal in the midst of my activity. By anointing my mind with oils of tranquility, my cup of joyous energy overflows. Truly harmony and effectiveness shall be the fruits of my hours, for I shall walk in the pace of my Lord and dwell in His house forever."***

May this be a year of growing our hospitality as we invite and welcome others to God's Good Table! Let this be our new year's goal.... Blessings to you in 2024 as we enjoy ways to provide "Food, Faith & Fellowship!"

### GOALS TO REFLECT ON:

- Lean on the Lord as your pace-setter.
- Stop for quiet intervals to restore your serenity.
- Follow His lead for efficiency, calmness of mind & balance.
- Remember: God *will* prepare *YOUR* refreshment & renewal, even in the midst of all your activities.
- Invite others to UWF gatherings & provide them good food, with faith-filled & joy-filled fellowship!

## Mission u 2024

Join us at Mission u as we explore what it means to draw closer to God and one another.

Jesus told his followers the kin-dom was among them (Luke 17:21). What does that mean? Who does Jesus say will inherit the kin-dom? How do we transform ourselves and our communities in ways that bring us closer to the kin-dom and the kin-dom closer to us?

Mission u 2024 offers three exciting curricula on this theme:

## A LEGACY OF MISSION

In 1869, eight (8) women gathered at Tremont Methodist Episcopal Church in Boston and organized the Woman's Foreign Missionary Society. They raised money to send two (2) missionaries to India, a woman doctor and woman teacher. United Methodist Women is the successor to that and other woman's missionary societies. One hundred and fifty years later, United Methodist Women is the largest faith-based women's mission in the world, changing lives for women, children, youth and families down the street and around the globe. United Methodist Women is a unique movement for transformation in our church and our world.

The Legacy Fund continues to be an important part of this celebration. The Legacy Fund will **permanently** sustain the work of United Methodist Women. That means that your gifts to this endowment will support women in Mission in the future. Your gifts will stand alongside United Methodist Women for decades to come. Your gifts will enable our great organization to continue to change lives for women, children, youth and families down the street and around the globe for the next 150 years.
