President's Message

UMW Sisters,

Our theme for 2019-2020, "Let Your Light Shine: Ignited for Justice" has been very inspiring for me and I hope it speaks to you and your units as well. There are so many Biblical images of light and fire – the light of creation (Gen. 1:3-5), Moses and the burning bush (Ex. 3:1-14), Jesus' command to be light and salt to the earth (Matt. 5:13-16), the tongues of flame at Pentecost (Acts 2:1-4) and so many more. I have taken a number of the Disciple and Cornerstone bible studies. In particular I remember discussing the call of Isaiah (Is. 6:5-8) in which a seraph touches Isaiah's mouth with a live coal to cleanse his lips and empower his prophetic call. I think so many of us feel like Isaiah – weak, unworthy, and powerless, yet we too are called, cleansed and equipped to be paths of transformation and justice. Our theme reminds us that we are called for a PURPOSE. It has been expressed differently over our 150-year history, but our organization has always been focused on sharing faith, hope and love to women, children and youth around the world. No matter what (if anything) may change in our denomination in 2020, you can be sure that the focus of our organization will remain on our missions and values.

Is God calling you to shine your light in new ways this year? Personally, I have been seeing God calling me back to working on environmental justice issues and stretching me with new challenges for our district team. It will light my way to our North Central Jurisdiction meeting in Sioux Falls, SD in June. It will lead us into a new adventure with three separate Mission u events which I hope will provide more opportunity for you to invite others to attend and to be at these events yourself. We will have the privilege of having our Conference Annual Gathering in our own district as well as many special district events I hope you will attend and encourage and enable others to attend. I have no doubt that God has old and new ways for you to light the world. I am reminded of a Michael W. Smith Advent/Christmas song "Light a Candle". The refrain goes:

Light a candle, light the dark

Light the world

Light a heart or two

Light a candle for me, I'll light a candle for you.

I pray that the light of the South West District, our Conference and National UMW blazes brightly enough to guide you this year, spark new outreach and mission and give you tools to live out your calling to bring about justice in 2020 and beyond.

Yours in Christ,

Laura Pfeffer, South West District President

YEARNING FOR PEACE

We all hope that “things will be better” in 2020. However current issues such as climate change, the presence of hate groups, divisive government officials, and violence in the world, make us feel apprehensive, especially since our actions to address these issues seem so inadequate. Perhaps recalling the following words of Catholic Archbishop Oscar Romero will help us feel more at peace:

“It helps now and then, to step back and take the long view. We accomplish in our lifetime only a tiny fraction of the magnificent enterprise that is the Lord’s work. Nothing we do is complete. No statement says all that should be said. No prayer fully expresses our faith. No program accomplished the Church’s mission. No set of goals and objectives includes everything.

This is what we are about We plant the seeds that one day will grow. We water seeds already planted, knowing that they hold future promise. We lay foundations that will need further development. We provide yeast that produces effects far beyond our capabilities.

We cannot do everything and there is a sense of liberation in realizing that. It enables us to do something and do it well. It may be incomplete but a beginning step along the way, an opportunity for grace to enter and do the rest. We may never see the results. But that is the difference between the master builder and the worker. We are workers, not master builders, ministers not messiahs, prophets of a future that is not our own, empowered by the Spirit who draws us onward.”

Archbishop Romero served in El Salvador where he spoke out against poverty, social injustice, assassinations, and torture until he was assassinated in 1980.

Please consider attending our District Spiritual Growth Retreat on April 25th. It may help you discover how you could “do something” to help make our world a better place!

COUNT !! COUNT !! COUNT !!

It's time for the South West District Census! This year the 2019 count for National is not as complicated as 2018. Be sure to follow the directions and push SUBMIT. This must be done on a computer by March 30, 2020. Last year our South West District had the lowest number of units reporting in the Wisconsin Conference. I know we can do better than that. Let's try for 100%. We can do it!

If you have questions, please call for help. The South West District can and will help in any way we can. Call Kay Putman at 608-592-2294. Every unit President will receive a hard copy of the census in the mail in early February along with the 2020 SW District directory. It will help you when you go to the website www.unitedmethodistwomen.org/census2019 to enter your count. Thanks for your help in reaching 100%.
